TT English Summer Camp 2018

Dear Parents and Children,

We would like to introduce our TT English Summer Camp for the upcoming summer 2018. The children can once again look forward to a wonderful summer full of games, exciting activities and attractive trips! This year we are starting from 16th July 2018!

We believe that your children will really enjoy their summer at Tip Toes and have a lot of fun!

Please go through the program with your child and if you are interested in signing your child up, please use this link to complete the registration <http://bit.do/TTSummer18>

Remember to register no later than 28th May 2018. The cost of this program is 3000CZK/week including all trips, activities and school meals (morning snack, lunch and afternoon snack). Limited spaces available.

During the summer program our preschool will be open from 8a.m. – 4p.m.

All weeks are going to be led by English native teachers.

TT English Summer Camp is suitable for children age 3-7 years old.

Take advantage of the summer holidays for your child to experience natural contact with English! We look forward to the fun and we hope to see a lot of familiar and also new faces this summer.

**Have a BRILLIANT TT SUMMER everybody!
TT team!**

TIP TOES
BRITISH PRESCHOOL

Week 1.
16.7. – 20.7. 2018

“SEA AND SAND”

We will be dipping into the deep blue sea and observing some of the wonderful marine life. The children will get to use a snorkel and mask to look for starfish hiding in the pool. They will learn about sharks, dolphins, whales, octopus and flying fish. The children will enjoy their visit to the swimming pool, where they can swim outdoors, brave the wave pool and shoot down the slides. There will also be a day focusing on all things pirates, where the children will make their own boats and investigate if they float or sink.

Week 2.
23.7. – 27.7. 2018

“COWBOYS AND INDIANS”

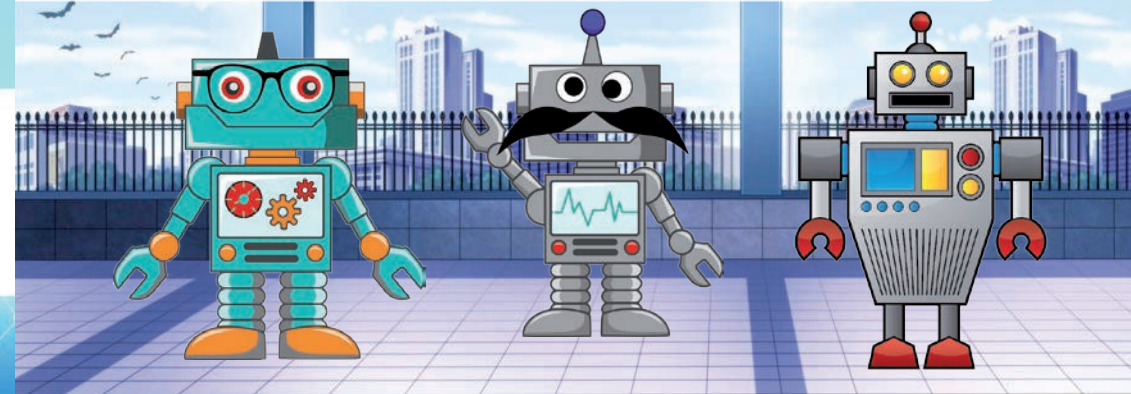

The children will go back in time to see how life was in the American west in the 19th Century. They will learn about the Native American Indian way of life. They will make dream catchers and feathered headbands. In the garden, the children will make their own tee pees, which they will use for role-play throughout the week. The children will also learn about life as a cowboy/cowgirl. They will look for gold in the stream, cook beans on an open fire and learn to lasso a cow. There will be a dressing up day where the children can come in wearing a costume. The children will also go on a horse riding adventure.

Week 3.
30.7. – 3.8. 2018

“ROBOTS AND MACHINES”

The children will learn about machines and how they help humans. They will go on a machine hunt around the school. They will also have the opportunity to use lots of different machines such as juicers, mixers, microwaves, calculators and many more. The children will look at how machines help us travel to places. They will learn about engines and their function. Using a variety of construction materials, they will make their own machines that may include wheels, cogs, levers and even a motor! The children will investigate how to input instructions into a robot and direct it to a chosen place. They will visit a museum, where they will find out how many machines work.

Week 4.
6.8. – 10.8. 2018

“SUPER SPORTS! 3,2,1, GO!”

The children will learn about staying healthy, whilst also having lots of fun trying a wide variety of sports. They will go to the local athletics arena, where they will run long and short distances, attempt the high jump and get the opportunity to throw a real shotput. Equipped with their snack, backpack and a map the children will venture into the forest for an orienteering challenge. They will also enjoy a Krav Maga lesson and a Golf lesson this week, both led by professional instructors together with our English teachers. They will also be going on cycle rides in the local area. In the school garden, they will learn new team games including softball and cricket.
