# THE WORLD OF MAGIC & SCIENCE

17. - 21. 7. 2023

Enter the magical world of science with our fun and educational summer camp for children! Our "World of Magic & Science" theme is designed to blend the fascinating worlds of magic and science to inspire curiosity, creativity and a love of learning. We will guide the children through hands-on experiments and demonstrations that bring science and magic to life. The children will enjoy exciting activities such as making invisible ink, experimenting with colour-changing potions and much more. In addition, we will have a special guest magician who will perform a magic show for the children and teach them some simple tricks. Don't miss this incredible opportunity to unlock your child's inner magician and scientist!
